Dear Ms Klosterkotter-Dit-Rowe

**Re: Your complaint against Miss Joan Hathaway BSc MRICS**

It IS ALSO against Barrie Martin, FRICS

I write following your letter to the President's office for an update of your complaint. Since I wrote to you last, I have been in correspondence with both Miss Hathaway and Mr Martin.

I have to inform you that the matter is progressing, however, it has been delayed of late due to Miss Hathaway's absence from the office.

I would like to confirm that this department is taking your complaint very seriously. The volume of correspondence relating to your complaint has delayed the progression of your matter so it is a little early to expect a decision at this stage.

Given the outcome: LIARS like their members, Joan Hathaway, MRICS, and Barrie Martin, FRICS

In view of this, I would appreciate it if you could give a short summary of the main issues to which your complaint relates. This would greatly speed up the process of resolving your complaint.

PLAYING GAMES!

I supplied a summary with my complaint  
See my reply of 2 June 2005

Yours sincerely
