Dear Ms Klosterkotter-Dit-Rawe

I am writing in connection to the complaint you made on 2 December 2009.

I have reviewed the issues you raise and I have decided to apply to the Independent Police Complaints Commission (IPCC) to dispense with your complaint.

This is because I consider that you made your complaint more than 12 months after the alleged misconduct without good reason; that your complaint has been made only because you have been unable to obtain the result that you desire through the Public Access Office; and that given the time elapsed it is impracticable to investigate the issues about which you are complaining.

The IPCC will consider my request and inform you if they have granted a dispensation or whether we are required to deal with your complaint. Until that decision is made no further action will be taken with your complaint. If you have any further enquiries, I must ask you to get directly in touch with the IPCC. You can contact them by writing to:

Yours sincerely
