Subject **BS 560 4102 / 02 C – Confirmation of findings and actions**

Mr Adams

Many thanks for letting me know that you have interviewed Mrs [REDACTED] of flat 33 Jefferson House, 11 Basil Street, London SW3 1AX in connection with the anonymous phone calls I received on Sunday 17 February and Tuesday 19 February, and that:

- Contrary to what she had told you previously, she now admits having made the phone calls herself
- She cannot give an explanation as to why she has done this.

(During this interview she also complained of being harassed by Andrew Ladsky)

I am happy with your proposed action of issuing her with a formal warning, and your comment that, should she do this again, you would prosecute her.

For the purpose of my records, I would appreciate your confirming the above – either by fax at the above number, or by post to my home address: flat 3 Jefferson House, 11 Basil St, London SW3 1AX.

Many thanks for your assistance

Regards

Noëlle Rawé

**NOTE:** I never obtained a confirmation from DC Adams of what he had told me on the phone

This is in spite of asking

(1) DC Adams again in my fax of 26 March 02

(2) Paul Webster, Detective Inspector, in my 2 April 02 letter (in which I also compiled events from 20 to 28 March 02)
